Ok-Ok we are in 2012.

This is the year for change in the NTBA. This is a election year for our officers. I do not plan on running again. I feel its time for a fresh change. One of our members and a great friend is interested in running for the president job. He is respected by all who meet him. Has great family values and love of country. Everywhere he goes he represents the T Bucket sport and NTBA family club with super enthusiasm. All of the membership know him. I think he will be as great as Punkun.

If anyone in interested in a officer job please contact Dale our VP and he will hook you up. 2013 sites are being looked at. If you have one please contact a officer, or send a proposal to Pam (NTBA Sec.)in Albuq. NM.

Choo Choo nationals are going to be just SUPER. Please plan on going. All of our members in the East we will be in your 500 mile zone. Lets see ya'll at the Choo Choo in June.

Work on your rides and get out in 2012. Be Safe.

VP's Corner

Happy New Year, hope the holidays were great for you and your family, and you received lots of T-bucket part from Santa. January means that we are starting the process of nominations for NTBA board positions. All positions are up for re-election. Bill has asked that I serve as the board member governing the process, so please contact me if you are interested in serving the club as an officer. If you have an interest, but need more clarification, please e-mail or call me. The deadline for receiving applications for new board members is no later than 2/1/12. The rules governing board elections are listed below. Won't be long and we will be cruising in Tennessee . Check out what the NATS planning group has so far on the NTAS page, looks like it's going to be a great and fun event. Looking forward to hearing from anyone whom might like to serve... Dale

PUBLISHER'S NOTES

by Dean McClure

Just to let you all know, I could really use any info, stories, etc for the newsletter by 10th of the month so that I can get it in the newsletter to have it published by the 15th of the month. It can be a story of a build, a up coming show, I know things are a little slow during the winter.

Thanks,
Dean McClure
